Looking for an epic adventure? Look no further! We've got a walking tour for you! Our trails will take you through jaw-dropping countryside and coastal paths, revealing hidden gems like waterfalls, hot springs, and ancient volcano craters. Prepare to be amazed by the diversity of the local fauna and flora.

But wait, there's more! Our walking tours are more than just a scenic stroll. We believe in immersing ourselves in the local culture and exploring the island responsibly. You will also have a chance to ask your guide questions about the area and its history.

Full day

## SERRA DEVASSA & GROTA DO INFERNO

Embark on a full day walk to the hidden jewels of the Sete Cidades volcanic complex, where aqueducts, waterfalls, and lagoons await your discovery. This road less travelled grants a respite from the hustle and bustle of mundane existence. As you walk this amazing route, prepare to be spellbound by the breathtaking vistas - a tapestry of crystalline lagoons mirroring the skies and verdant foliage, conjuring an otherworldly panorama. The trail's ascent leads to lofty peaks, where the ocean's grandeur merges with the grace of soaring seagulls and majestic Kestrel, painting the skies with their movements, and heightening the mystical ambiance.

Full day

## MOINHO DO FÉLIX

Unveil the natural beauty of São Miguel Island's north coast on a full day circular trek that begins near the sacred São Pedro church. As you traverse the winding dirt path towards the ocean, a plethora of scenic vistas unfurl before you, each more breathtaking than the last. Behold the ancient ruins of Felix's watermill, the spellbinding Teofilo and Gruta waterfalls, and the mystical Trout's well. Don't forget to venture behind the waterfall and witness the cascading waters from a different perspective. This circular walk is a true gem, a chance to immerse yourself in the natural beauty of São Miguel Island's north coast and create memories to cherish for a lifetime.

Full day

## FAIAL DA TERRA & VAN TOUR NORDESTE

Get ready to lace up your hiking boots and embark on a full day journey to paradise! The epic trail kicks off at Faial da Terra, then meanders through the abandoned village of Sanguinho and finally leads you to the Salto do Prego waterfall. After cooling off with a refreshing swim, the adventure continues by van to Nordeste's coastline where you'll be blown away by the breathtaking views at Ponta do Sossego and Vista dos Barcos. Don't forget your camera, because the landscapes are a photographer's dream! The region is bursting with stunning flora! Finally you will visit the Park of Ribeira dos Caldeirões, a nature park packed with waterfalls.

Full day

## LAGOA DO FOGO

Visit the lake born from fire, for a full day walk, here you can take a leisurely stroll along the seemingly untouched trails that pass by ancient plant ruins, convents, natural swimming pools, and charming beaches. To add to the experience, enjoy a delicious picnic by the lagoon, surrounded by the fertile flora and fauna that emerged from the ashes of a volcanic crater. It's like being transported to a paradise lost.

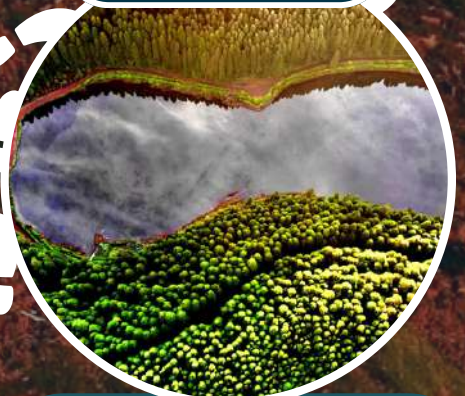

Half day

## SALTO DO CABRITO

A half-day journey through the lush vegetation around sulphurous waters heated by the land and frigid springs with waterfalls, iron bridges, and hidden spaces that offer a luxurious and incredible view. The experience includes a visit to the first electrical plants of the island dating back to the 19th century and clear pools where one can cleanse both mind and body.

Half day

## SERRA DEVASSA

The Sete Cidades volcanic complex contains beautiful lagoons and lush vegetation that create a stunning landscape. Walking through it reveals the mutual nourishment between the watercourses and endemic vegetation. The legend of a submerged kingdom adds to the enchanting atmosphere as you make your way round this wonder of São Miguel Island.
