

Islet of Vila Franca

FULL DAY TOUR

**TOUR OPERATES FROM 24
JUNE - 16 SEPT 2024**

PRICES: ADULT £107, CHILD £72

Prepare yourself for an exhilarating adventure! Step aboard our RIB zodiac boat and cruise along the picturesque coastline to Vila Franca. Be alert, as you may have the chance to witness the extraordinary marine biodiversity that the Azores archipelago is renowned for. From playful dolphins to majestic whales, the marine life encounters on our full-day tours are bound to leave you in awe. Keep an eye out for turtles and seabirds that may also cross your path!

Depart from the crowded tourist areas and venture deeper into the unexplored marvels of the coast. Prior to departure, our team of marine biologists will provide you with comprehensive information about the local fauna, safety protocols onboard, guidelines for respectful animal interaction, as well as interesting historical insights. So, why delay any longer? Let's embark on a voyage to uncover the mysteries of the ocean!

Included in this tour:

- Return transfer from Ponta Delgada by boat or van
- Lunch in local restaurant
- Pre-tour briefing
- Life jacket
- Marine biologist or nature guide onboard
- Whale watching
- Snorkeling

Islet of Vila Franca

SECOND HALF OF DAY

After the 3-hour tour, we'll stop at a local restaurant in Vila Franca do Campo for lunch.

Next, we'll hop aboard a converted traditional fishing boat where we'll head towards Vila Franca do Campo Islet – a volcanic crater located off the coast. Once we arrive, we'll get our gear on and snorkel in the natural lagoon. You'll be amazed at the beautiful coral, colorful fish, and magical underwater world that awaits you.

Since the islet is a natural reserve, you'll get to see an array of fish species that have been protected and preserved.

(This tour is only suitable for ages 8 and up.)

NOTE: Mask and snorkel not provided. You will be able to hire locally at Azores Sub Shop in Vila Franca marina for 6 euros per mask & snorkel or please bring your own equipment with you.
