Hotels

This trip includes some of the best accommodation that the Azores has to offer. On Sao Miguel you can choose between a harbour front hotel with sea views or a luxury boutique property with spa facilities and stunning gardens. On Pico Island you can either stay in stunning self catering accommodation overlooking the sea with your own terrace or at a cliff top hotel

A 30 min ferry ride from Pico to Faial island takes you to Horta where all the transatlantic yachts stopover and you can enjoy the maritime feel and charming traditional architecture.

Getting There

Fly to Sao Miguel airport - Ponta Delgada (PDL), or Pico's airport (PIX). Direct flights available to PDL but flights to Pico would be via Lisbon or Porto, mainland Portugal

Climate

The Azores temperate climate and the ocean breezes ensure the islands are cooler than mainland Europe in the summer. This makes it the perfect holiday destination!

Winter average temp: 16-19°C
Spring/Summer average temp: 22-30°C
