Blue Whale Discovery

Departs March-June

Prices

From £995 to £1195
per person (medium-
high season)
Solo travellers from
£1195 to £1595

Blue whale discovery is one of our bestselling set itinerary tours. As the season of rebirth begins, the Azores come alive with enchanting beauty. Marvel at the grandeur of the blue whales as you view them in their natural habitat whilst learning more about them and their conservation from our experts. April, May and June is the best time to see the baleen whales as they feed offshore on the nutrient rich waters. Our special lookouts ensure we have some of the best sightings worldwide. This holiday will create cherished memories of a once-in-a-lifetime experience.

“

“WE WERE ON THE CATAMARAN AND A HUGE GASP WENT UP FROM EVERYONE ON BOARD: A FIN WHALE SWAM IN FRONT OF THE BOAT, RAISED ITS HEAD AND OPENED ITS MOUTH OUT OF THE WATER TO FEED. IT WAS ONLY A FEW SECONDS, BUT THAT SIGHT IS ENGRAVED ON MY MEMORY”

”

Choose your boat

Choose from either a large stable catamaran for great vantage points, toilet facilities and indoor/outdoor seating, or our faster hard-hulled rigid inflatable boat (RIB) for an exhilarating ride and to get close to the action quickly

Specialists in whale and dolphin wildlife holidays working with the best expert marine biologist guides and responsible boat operators

Itinerary

Day 1: Transfer to the hotel from the airport. If there is time, you can explore the local area and enjoy dinner in one of the excellent restaurants near the old town centre or at the marina.

Day 2: On the second day, after a leisurely morning spent exploring the town's architecture and botanical gardens. Head down to the boat base where you will embark upon your first half-day trip when you have the best opportunity to see the majestic blue, fin and humpback whales in their natural ocean habitat. The ocean's secrets shall be shared with you, and the best ways to spot them revealed!

Days 3-4:
Each of these days has the possibility for new adventure. The final itinerary is decided by our experts upon your arrival, we leave these days open to allow for tours to be scheduled for the best possible weather conditions and sightings.

Day 5: Free day and a chance to immerse yourself in the island's wonders. Whether it be trekking through the mountains or gliding along the water in lakes set in volcanic craters, the choice is yours to make.

Day 6: An enchanting geothermal tour awaits where you will see hot springs, geysers, and bubbling mud pools. You will bathe in hot springs set in stunning award winning botanical gardens. A dip in the hot thermal lake can be a truly magical experience.

Day 7: A free day, unless you choose to add another tour, you could venture upon the waves once more, seeking to glimpse the giants of the sea, or explore the local lava caves. Speak to us about adding an extra tour to your holiday.

Day 8: Departure day. Transfer to the airport from your hotel.

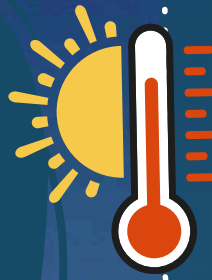

Getting There

Fly to Ponta Delgada, Sao Miguel Island.
Direct flights available from London, many European cities, USA and Canada.

Azores Ocean Discovery

Year Round

Prices

From £895 to £1195 per
person (low-high
season)

Solo travellers from
£995 to £1495

This holiday is very similar to our Spring Blue Whale discovery, however outside of the Spring season our focus is on discovering an array of dolphin and whale species as they feed from the rich phytoplankton in the area. The Azores is one of the best destinations worldwide for whale watching and we get incredible sightings year after year. You can marvel at the grandeur of these animals while you view them in their natural habitat. You will also have a chance to learn more about them and their conservation from our experts. This holiday is guaranteed to create cherished memories and provide a once-in-a-lifetime experience.

“

THE WAY THE OPERATOR LOOKED FOR THE DOLPHINS AND WHALES WAS VERY SENSITIVELY DONE. THERE WAS NO CHASING OR HARASSING THE ANIMALS - IT WAS COMPLETELY ON THE ANIMALS' TERMS AT ALL TIMES AND CARRIED OUT WITH RESPECT. I WAS VERY IMPRESSED.

Azores Island Explorer

Prices

From £895 to £1195
per person (low-high
season)

Solo travellers from
£965 to £1495

This holiday combines all the best activities the Azores has to offer on land and at sea. Based on Sao Miguel Island, you will be taken out with expert marine biologist guides in search of the majestic dolphins and whales. You will visit Furnas volcanic village, a region that easily rivals Iceland and New Zealand for spectacular displays of geothermal activity. Bathe in the rich mineral pools, meander through the botanical gardens and sample the traditional "Cozido" stew cooked underground. This holiday also includes a visit to the spectacular Sete Cidades lakes. After a morning jeep tour taking in breathtaking views, you have lunch in a local restaurant and then be taken to our activity centre. Here you can choose to kayak and cycle around the craters and lakes or stroll around this natural, wonderful environment at your own pace. On this holiday you will participate in various activities as well as enjoying stunning wildlife and nature experiences. Our guests repeatedly say that this holiday has been one of their most incredible, leaving lasting memories

Itinerary

Day 1: Transfer to the hotel from the airport. If there is time, you can explore the local area and enjoy dinner in one of the excellent restaurants near the old town centre or at the marina.

Day 2: After a leisurely morning exploring the local town with its stunning architecture and walking around the botanical gardens, head down to the boat base for your first half day whale and dolphin watching trip to sea. You will be given the onboard briefing all about marine life in the Azorean ocean, how we work and how best to spot the whales.

Day 3: After a relaxing morning by the hotel pool, you can head down to the harbour for your second half day whale and dolphin watching. We schedule your trips to sea early in the week and if there is any weather disruption you will be able to take your land tours early and re schedule your trip to sea.

Day 4: Today you will be taken on a full day jeep and activity tour to stunning Sete Cidades with amazing views across the lakes. After lunch in a local restaurant, you can kayak on the lakes surrounded by stunning mountainside forests. If you prefer to stay on land you can opt for a cycling tour around the crater rim or take a stroll and explore this natural, wonderful environment at your own pace.

Day 5: Have a relaxing morning in the hotel pool or browse some of our on line resources to learn about whales and dolphins. Watch our on line presentation "Discover Sperm Whales" where you will learn about the lives of these incredible mammals who live around the Islands and dive deep to find prey (squid) and also learn about the challenges facing the world's oceans. If you wish you can book an additional half day tour at the lakes and enjoy another one of the many activities on offer.

Day 6: You will be collected from your hotel this morning for a full day tour to the geothermal village of Furnas where you will see steaming fumaroles and geysers and learn about the volcanic history of the island and local culture. You will enjoy bathing in mineral rich geothermal hot springs set in award winning botanical gardens. You will also sample the traditional "Cozido" at lunch time in a local restaurant – a meat or vegetable stew cooked geothermally underground.

Day 7: Free day or take another half day at sea whale and dolphin watching giving you more chances of sighting the giant whales or visit the local lava caves.

Day 8: Departure day. Transfer to the airport from your hotel.

Whale Tails and Walking Trails

Prices

From £895 to £1195
per person (low-high
season)

Solo travellers from
£965 to £1495

This holiday encompasses the magnificence of the islands interior and the majesty of the ocean. You will have two half day voyages to sea whale and dolphin watching and two half day guided hikes.

Follow in the footsteps of the first settlers as you trace your way across ancient foot paths and animal trails taking in dramatic coastlines, shimmering blue and green lakes, yawning calderas and misty, ancient sub-tropical forests. In recent years great care has been taken to restore these pathways so that you can marvel at glittering waterfalls, witness nature's bounty of flowers plants and trees and look down into the depths of the deep green crater lakes as you hike along the rim of a volcano, all untouched for millennia.

The Azores are a perfect year-round destination. Located in the northern hemisphere, they enjoy a mild climate 12 months of the year. The ocean around the Azores islands is teeming with resident and transient whales and dolphins. It is one of the best places in the world to see blue whales in the spring and an abundance and variety of species all year.

Itinerary

Day 1:

As the journey begins, you will be greeted at the airport and escorted to your hotel, where you can rest and prepare for the adventures that await.

Day 2:

After a tranquil morning spent exploring the splendours of the local town and wandering through the botanical gardens, embark on your first half-day voyage towards the wonders of the ocean, where you will witness the majesty of whales and dolphins. You will be provided with an onboard briefing on the marine life that thrives in the Azorean Ocean, and how to identify them.

Day 3-6:

The itinerary for the following days will be confirmed upon arrival, to ensure the best possible weather and sea conditions for your whale and dolphin watching excursions. Over the next few days, you shall experience the thrill of embarking on two half-day walks along the coastline or the island's inner depths, in addition to one more morning or afternoon trip to the ocean. With your expert guide, you can decide the routes and durations for each day's adventures.

Day 7:

It's time to explore the geysers located in the heart of the island's interior at Furnas. Here, you will discover a picturesque, hot thermal swimming lake surrounded by botanical gardens, crafted a century ago by the esteemed Kew gardeners. Immerse yourself in the mineral-rich waters and learn about the geothermal activity on the island. Take this opportunity to unwind, reflect on the wonders you have experienced thus far, and appreciate the beauty of nature.

Day 8:

Depending on your departure time, there may be time for one final shopping spree or an additional morning boat trip. After breakfast, you will be transferred to the airport for your flight home, enriched with memories of a remarkable adventure.

Getting There

Fly to Ponta Delgada, Sao Miguel Island.
Direct flights available from London, many European cities, USA and Canada.
Indirect flights via Portuguese mainland (Lisbon/Porto).

Island Discovery

São Miguel Island

Prices £795-£1195 (2 people sharing)

Solo travellers from £995-1495

Set on São Miguel Island this holiday is perfect for those who want to explore all the best parts of the Azores. The itinerary includes visiting the iconic Furnas hot springs, where you can soak up the steamy atmosphere of the bubbling fumaroles, erupting geysers and geothermal vents. You get to explore by foot on a half day guided walking tour where you will learn more about this stunning Island with one of our expert guides. Next you have a full day trip to the twin lakes of Sete Cidades where you will take dirt roads and go to places only accessible by 4x4 to enjoy beautiful views. After lunch, take a kayak or cycle around the stunning craters and lakes. Lastly you will get to visit the famous 'Fire Lake' Lagoa do Fogo set in a huge volcanic crater with stunning views across the whole Island!

Itinerary

Day 1: Transfer to the hotel from the airport. If there is time, you can explore the local area and enjoy dinner in one of the excellent restaurants near the old town centre or at the marina.

Day 2: Begin your holiday by ascending to the island's highest point, the rim of a huge volcanic crater! Looking down into the "Fire Lake" and its surroundings, you will experience breathtaking views of the north and south coastlines of the island. Afterwards you will take a gentle walk through tropical rain forest at Caldeira Velha where you are rewarded with an (optional) swim in the hidden hot springs under the canopy of a volcanic outcrop. Temperatures of the pools range from 25-38°C. This incredible tropical paradise is not to be missed!

Day 3: Enjoy a walk to one of the island's beautiful coastal or tropical trails. With an expert guide, you will be able to immerse yourselves in stunning surroundings on foot while learning more about local history and nature. This is arguably one of the most enjoyable ways to discover more about the incredibly biodiversity of the island.

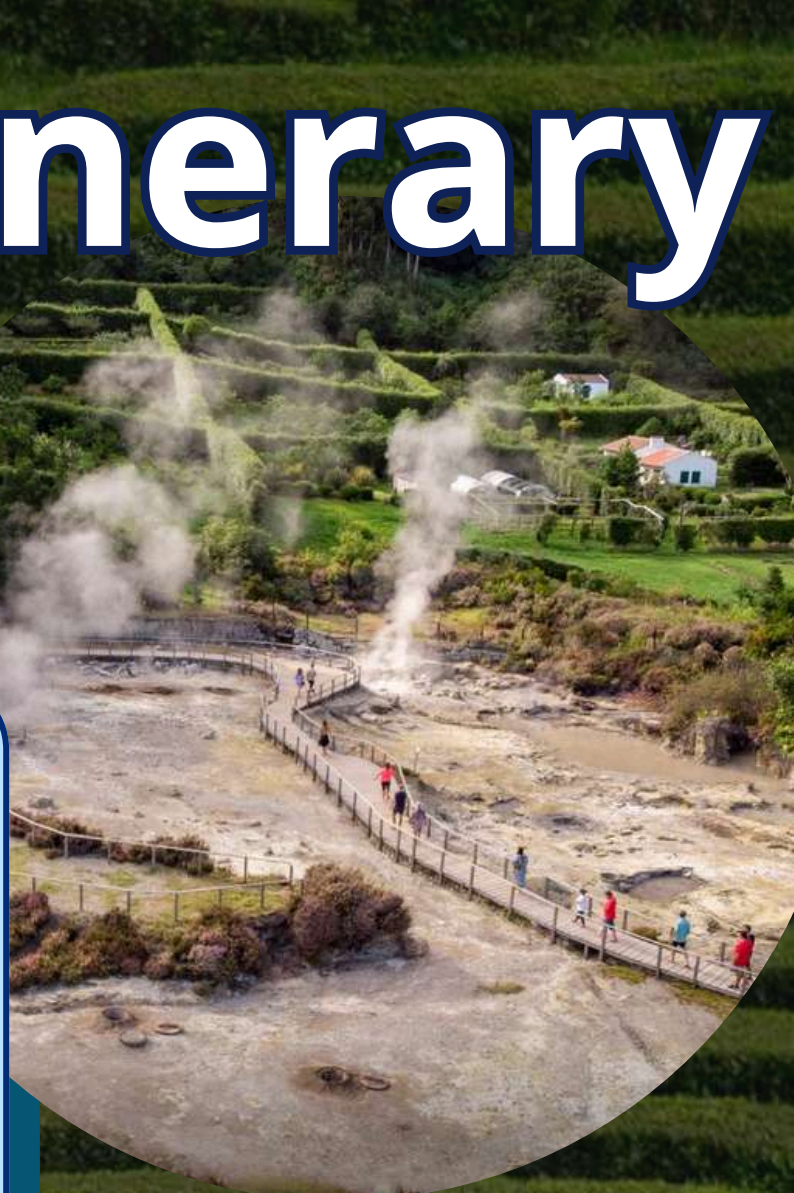

Day 4: Today you will be taken on a full day jeep and activity tour to stunning Sete Cidades with amazing views across the lakes. After lunch in a local restaurant, you can kayak on the lakes surrounded by stunning mountainside forests. If you prefer to stay on land you can opt for a cycling tour around the crater rim or take a stroll and explore this natural, wonderful environment at your own pace.

Day 5: Free day or add a half day boat trip to see the resident whales and dolphins.

Day 6: You will be collected from your hotel this morning for a full day tour to the geothermal village of Furnas where you will see steaming fumaroles and geysers and learn about the volcanic history of the island and local culture. You will enjoy bathing in mineral rich geothermal hot springs set in award-winning botanical gardens. You will also sample the traditional "Cozido" at lunch time in a local restaurant – a meat or vegetable stew cooked geothermally underground.

Day 7: Free day to explore the town of Ponta Delgada or take a walk along the seafront. There are plenty of shops for you to pick up a souvenir of your trip, alternatively you can visit the free botanical gardens or take a dip in the ocean pool by the harbour.

Day 8: Departure day. Transfer to the airport from your hotel.

Getting There

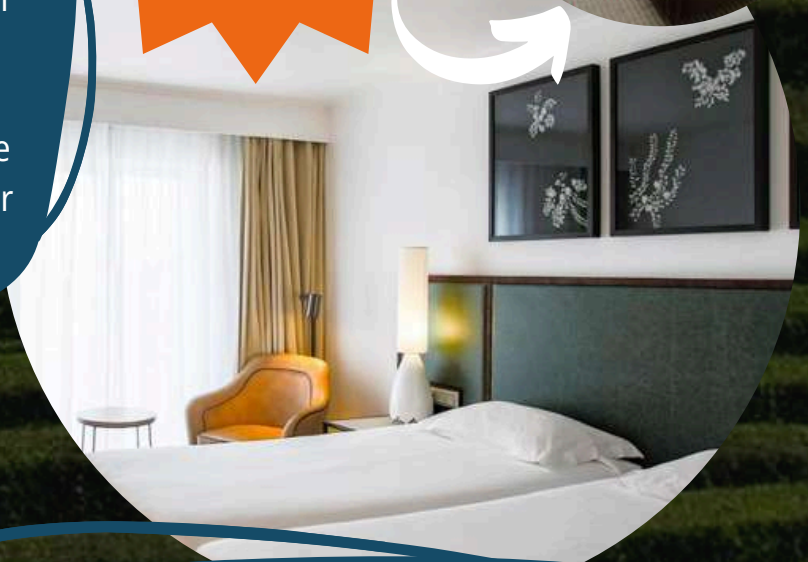

Fly to Ponta Delgada, São Miguel Island.
Direct flights available from London, many European cities, USA and Canada.
